

**Winter, spring, summer, and fall—
aren't you glad God made them all?**

Christmas is a time when we think about angels. Five angels are hiding in this picture. Can you find them?

**We celebrate Christmas because of Jesus' birth.
Can you sing a birthday song to Jesus?**

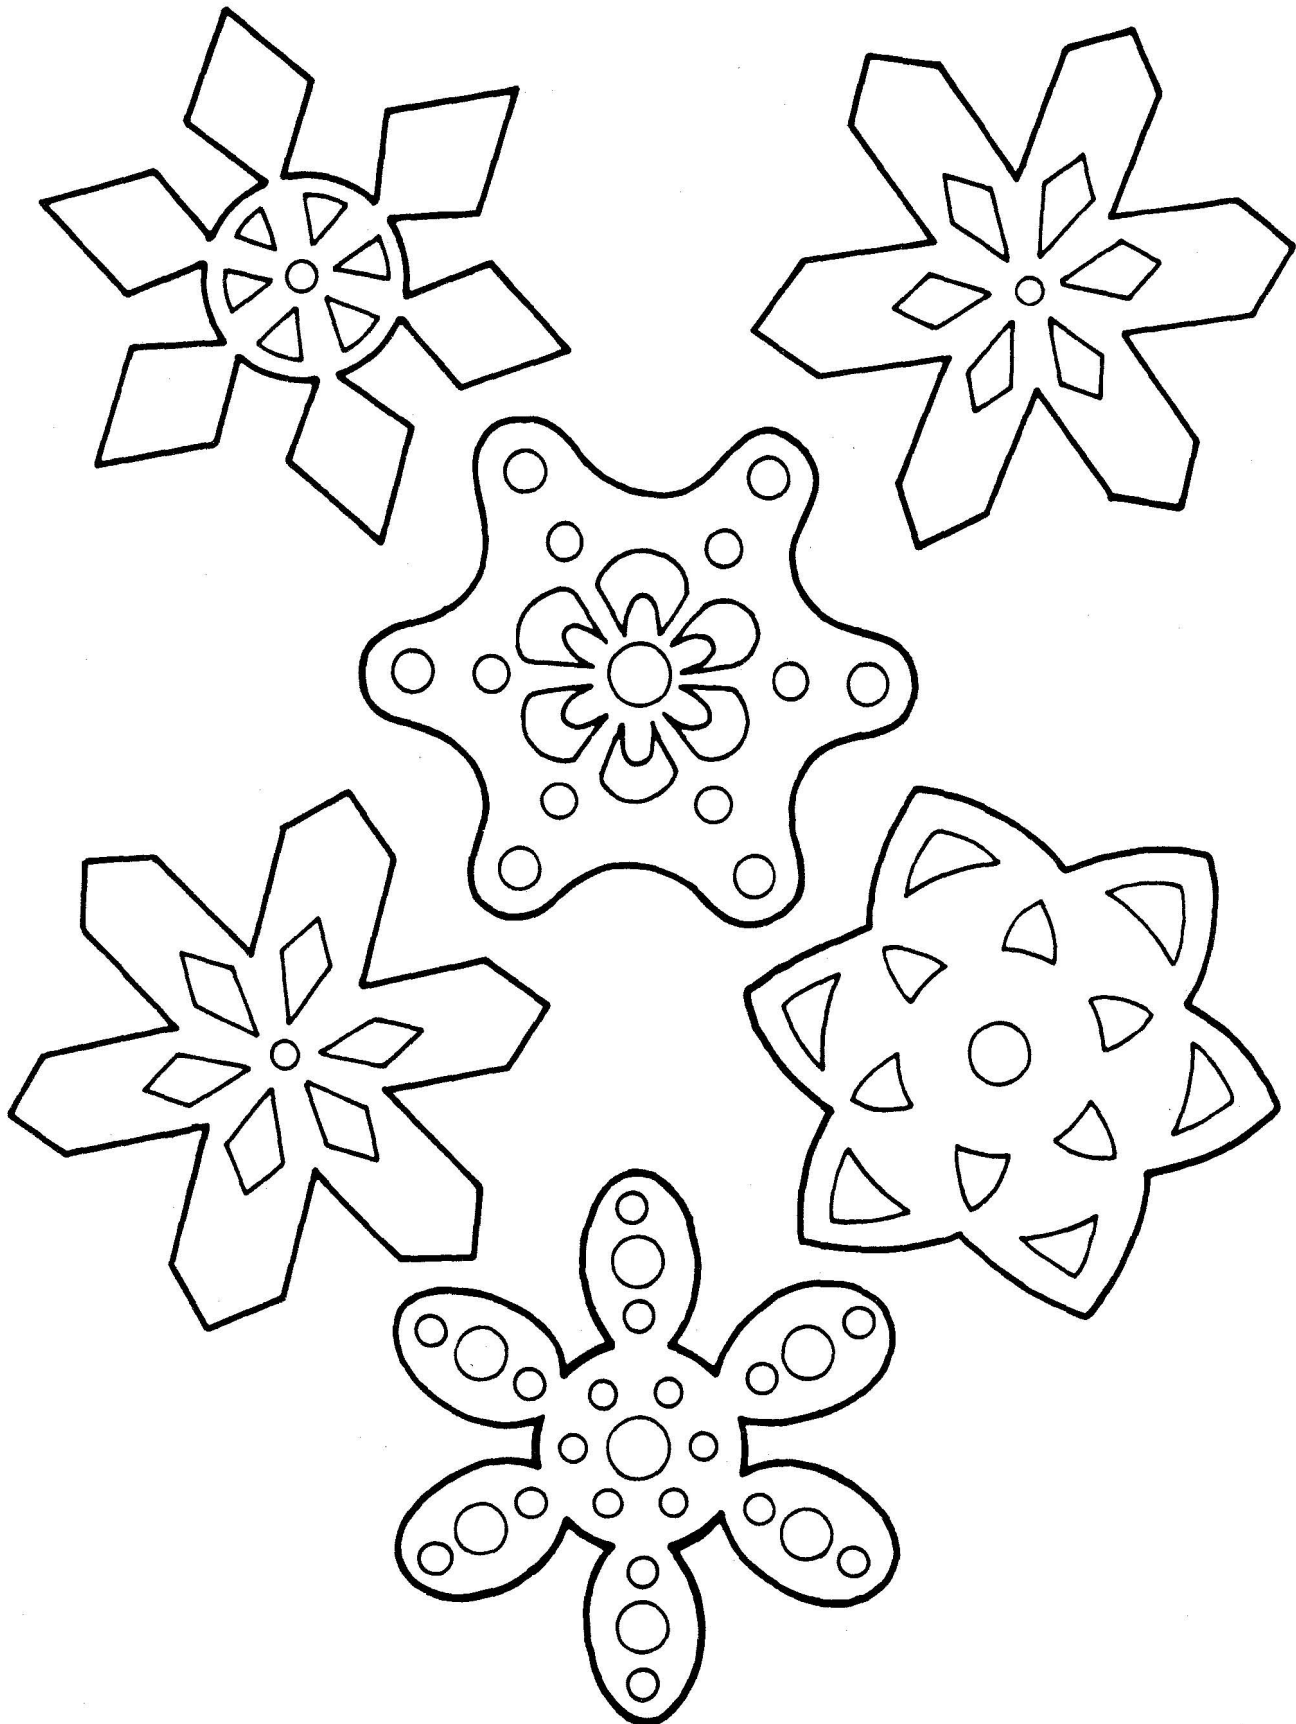

Winter is the time when we celebrate Christmas.

**Some animals sleep all winter long
while God watches over them.**

Do you know that no two snowflakes are exactly alike? But there are two matching snowflakes on this page! Which ones are they?

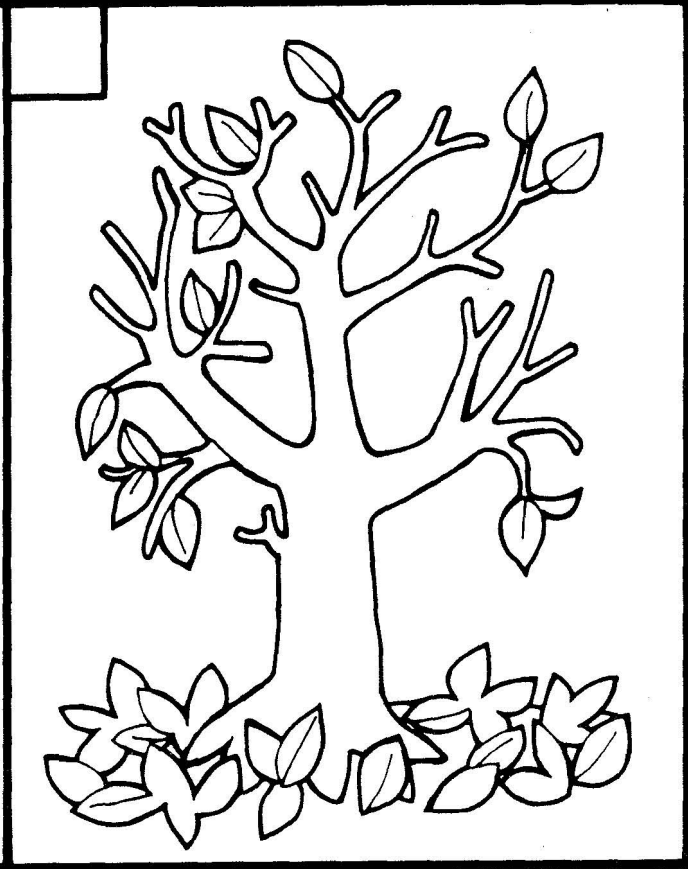

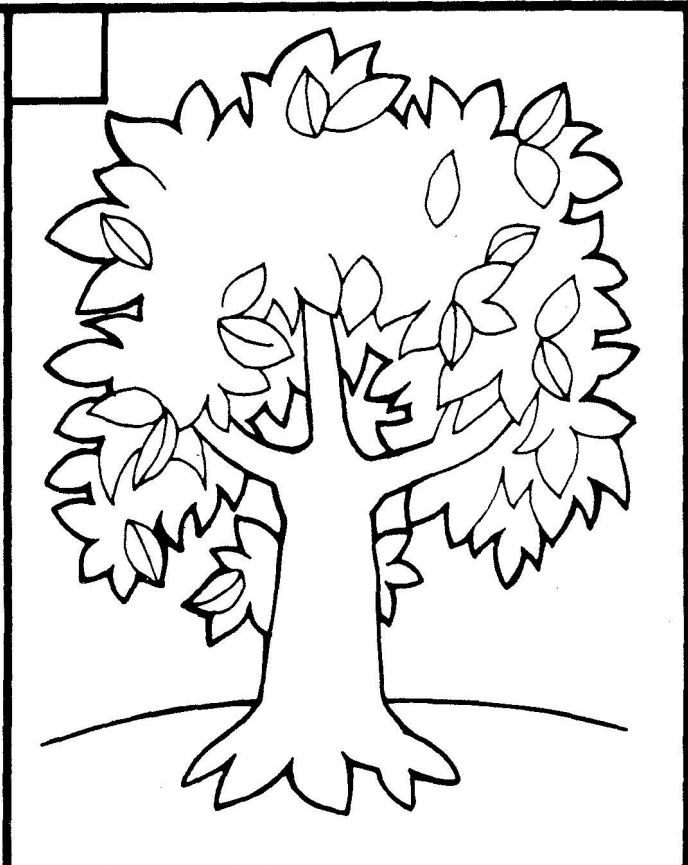

Winter!

"God says to the snow, 'Fall on the earth.'"

Job 37:6

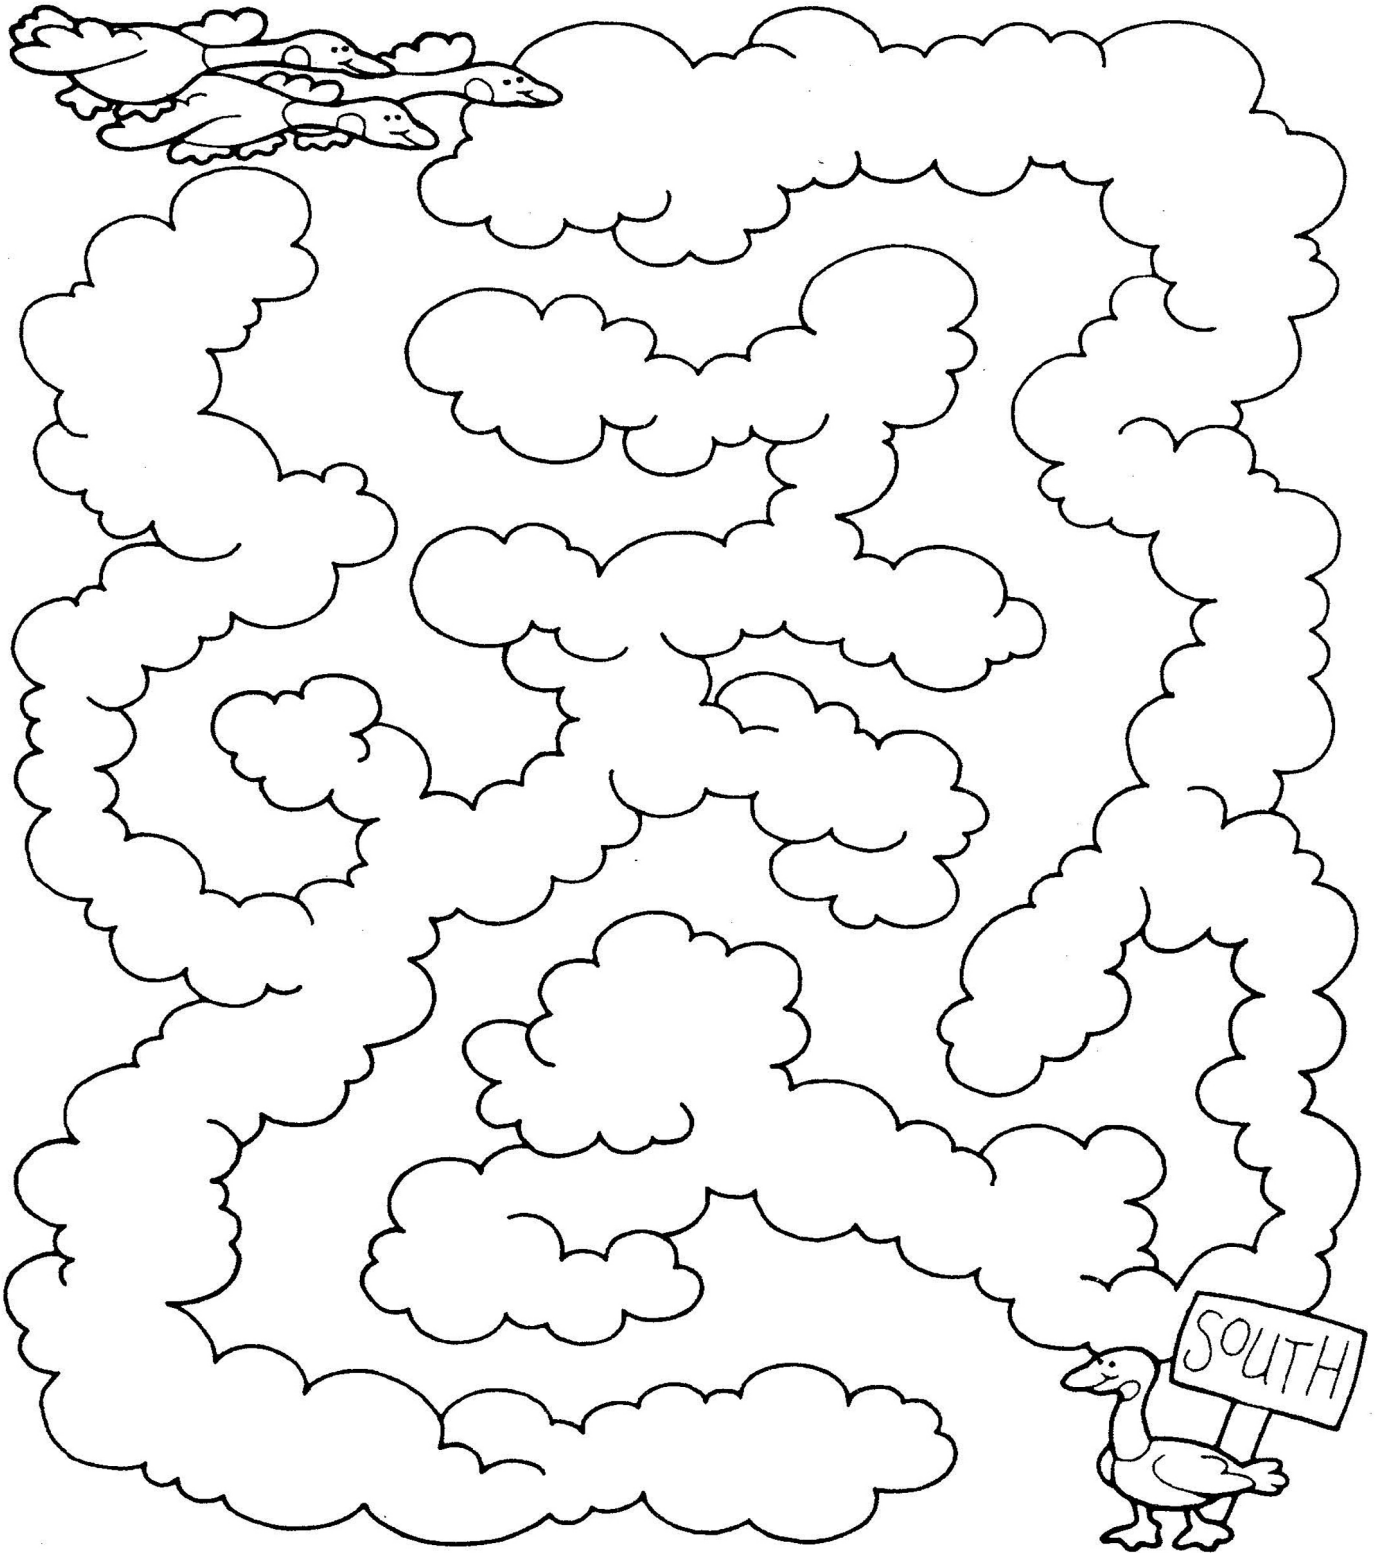

Can you put these pictures in order?
Write a number in each box to show the correct order.

The leaves fall down, and we rake them into big piles.

**Some birds fly south in the fall.
Can you show these geese how to get there?**

**"Even the birds in the sky know
the right times to do things."**

Jeremiah 8:7

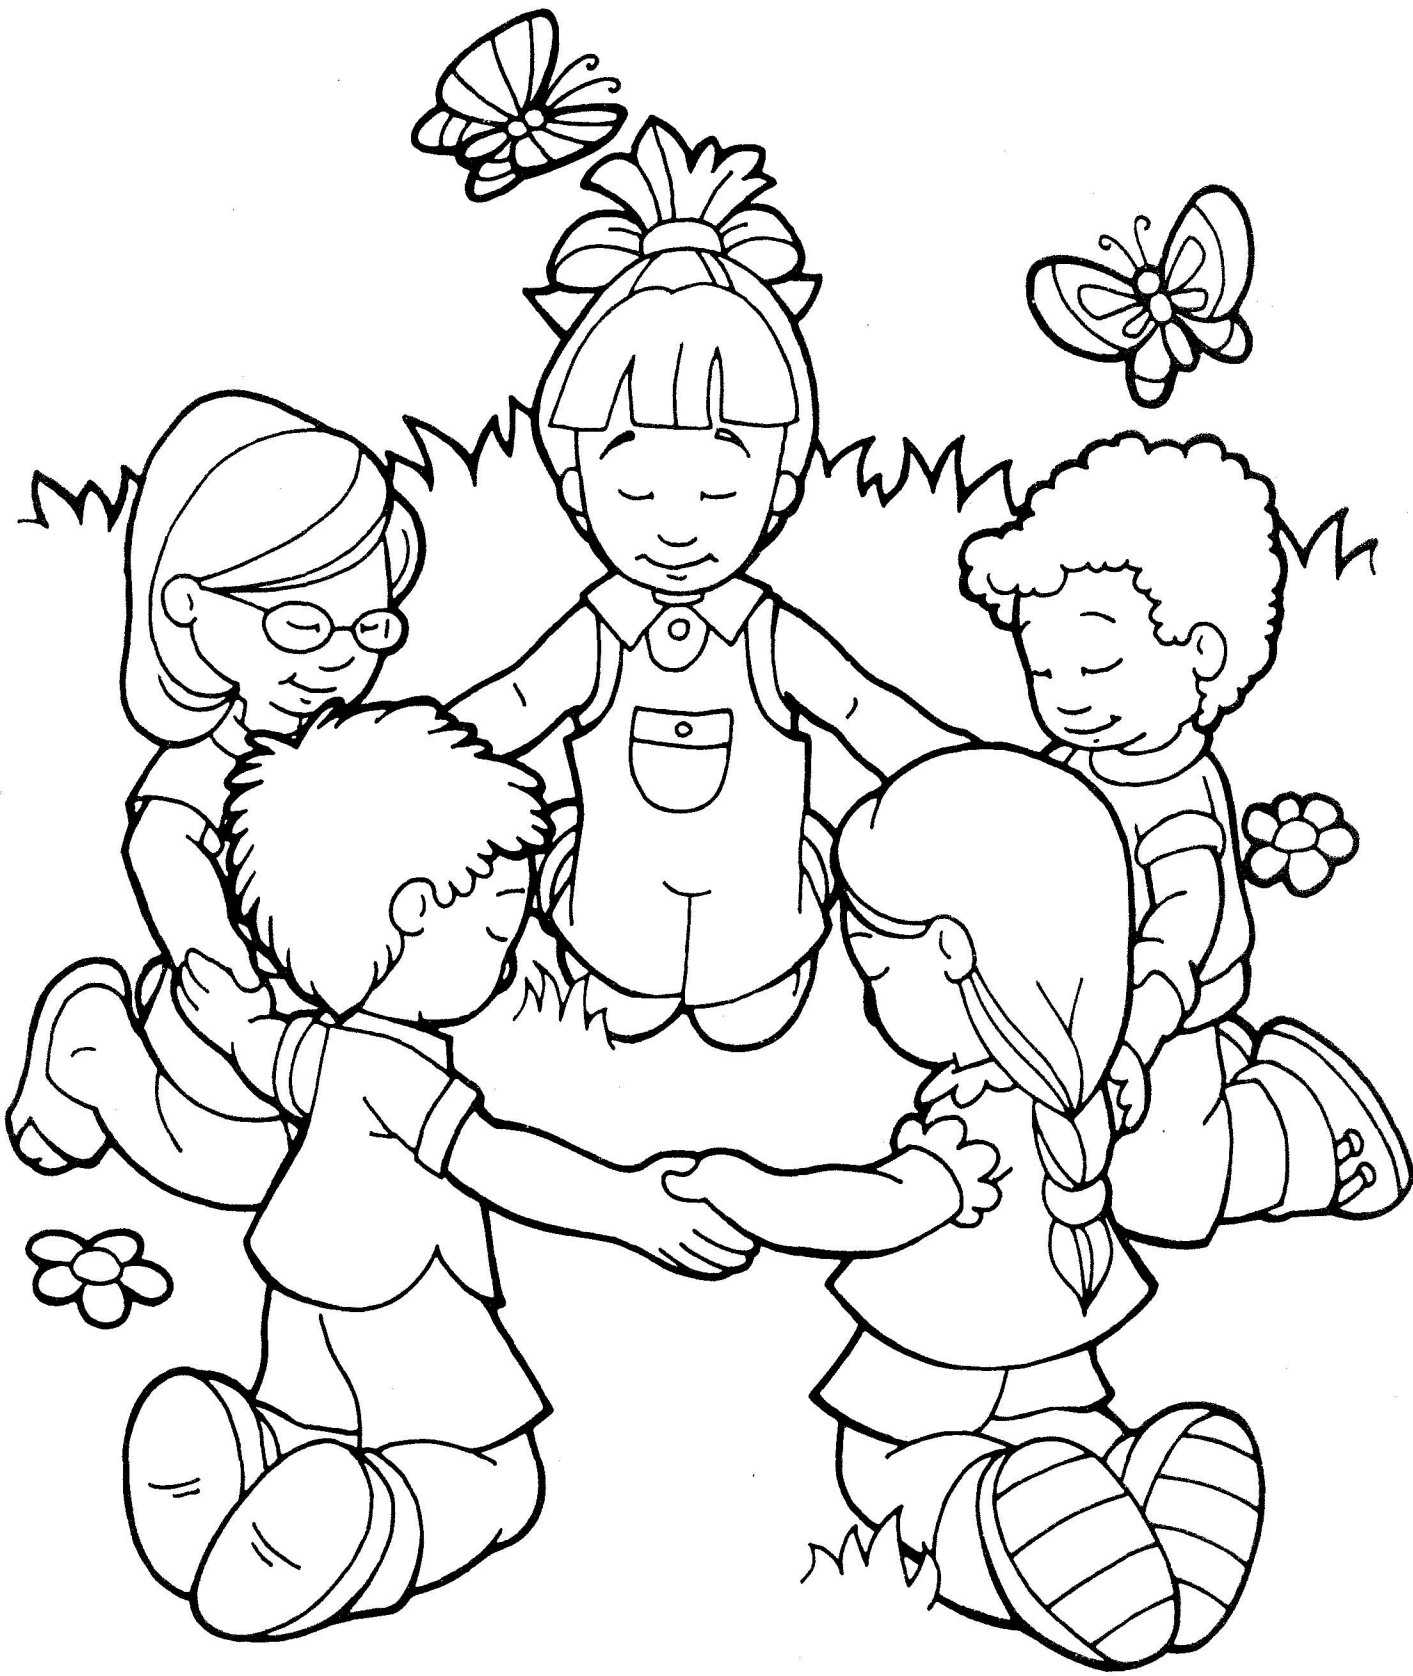

**Fall is harvest time.
Squirrels gather nuts and seeds
to store in their nests for winter.**

Fall!

Celebrate the harvest!

from Exodus 34:22

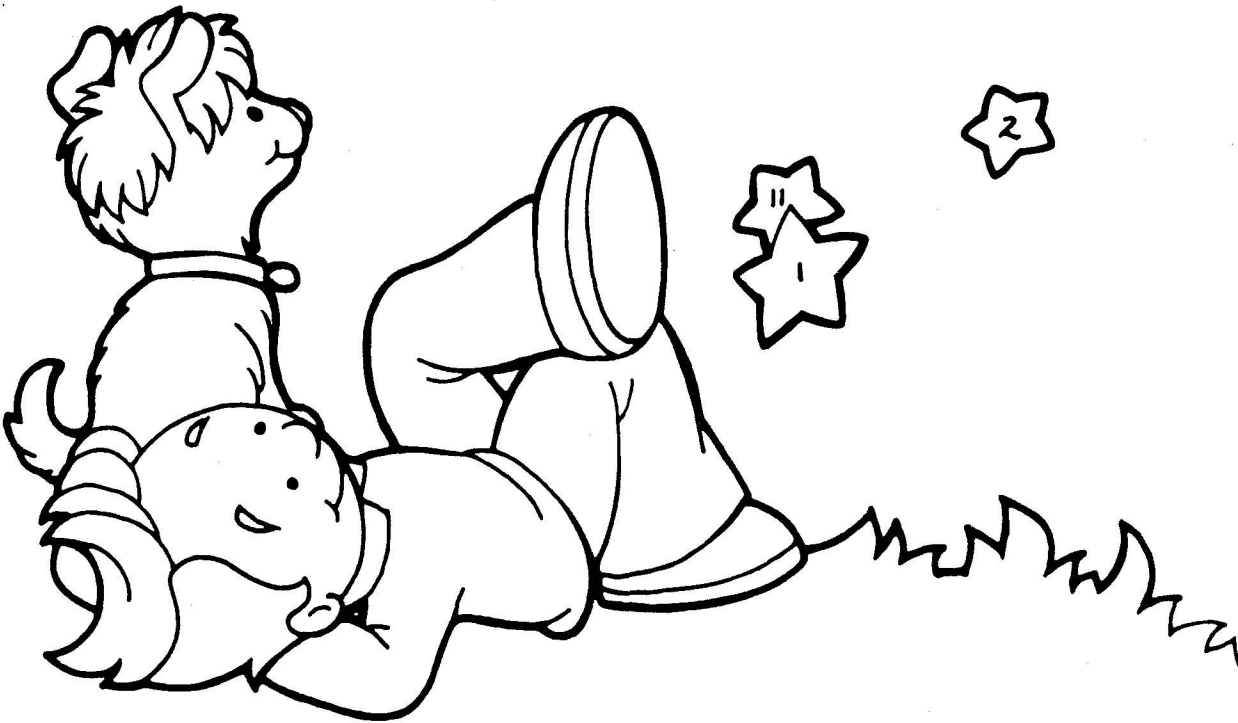

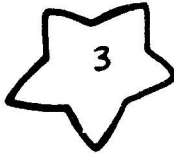

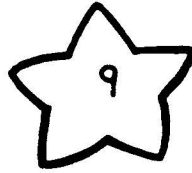

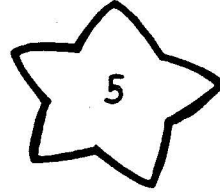

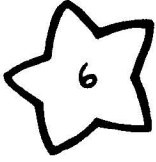

**Thank you, God, for this warm summer day,
and for the friends with whom I play.**

Summer is a good time for listening to night sounds.
Who says, "Who-who?" Color the spaces
with one dot to see who's calling you.

Connect the stars. What do you see?

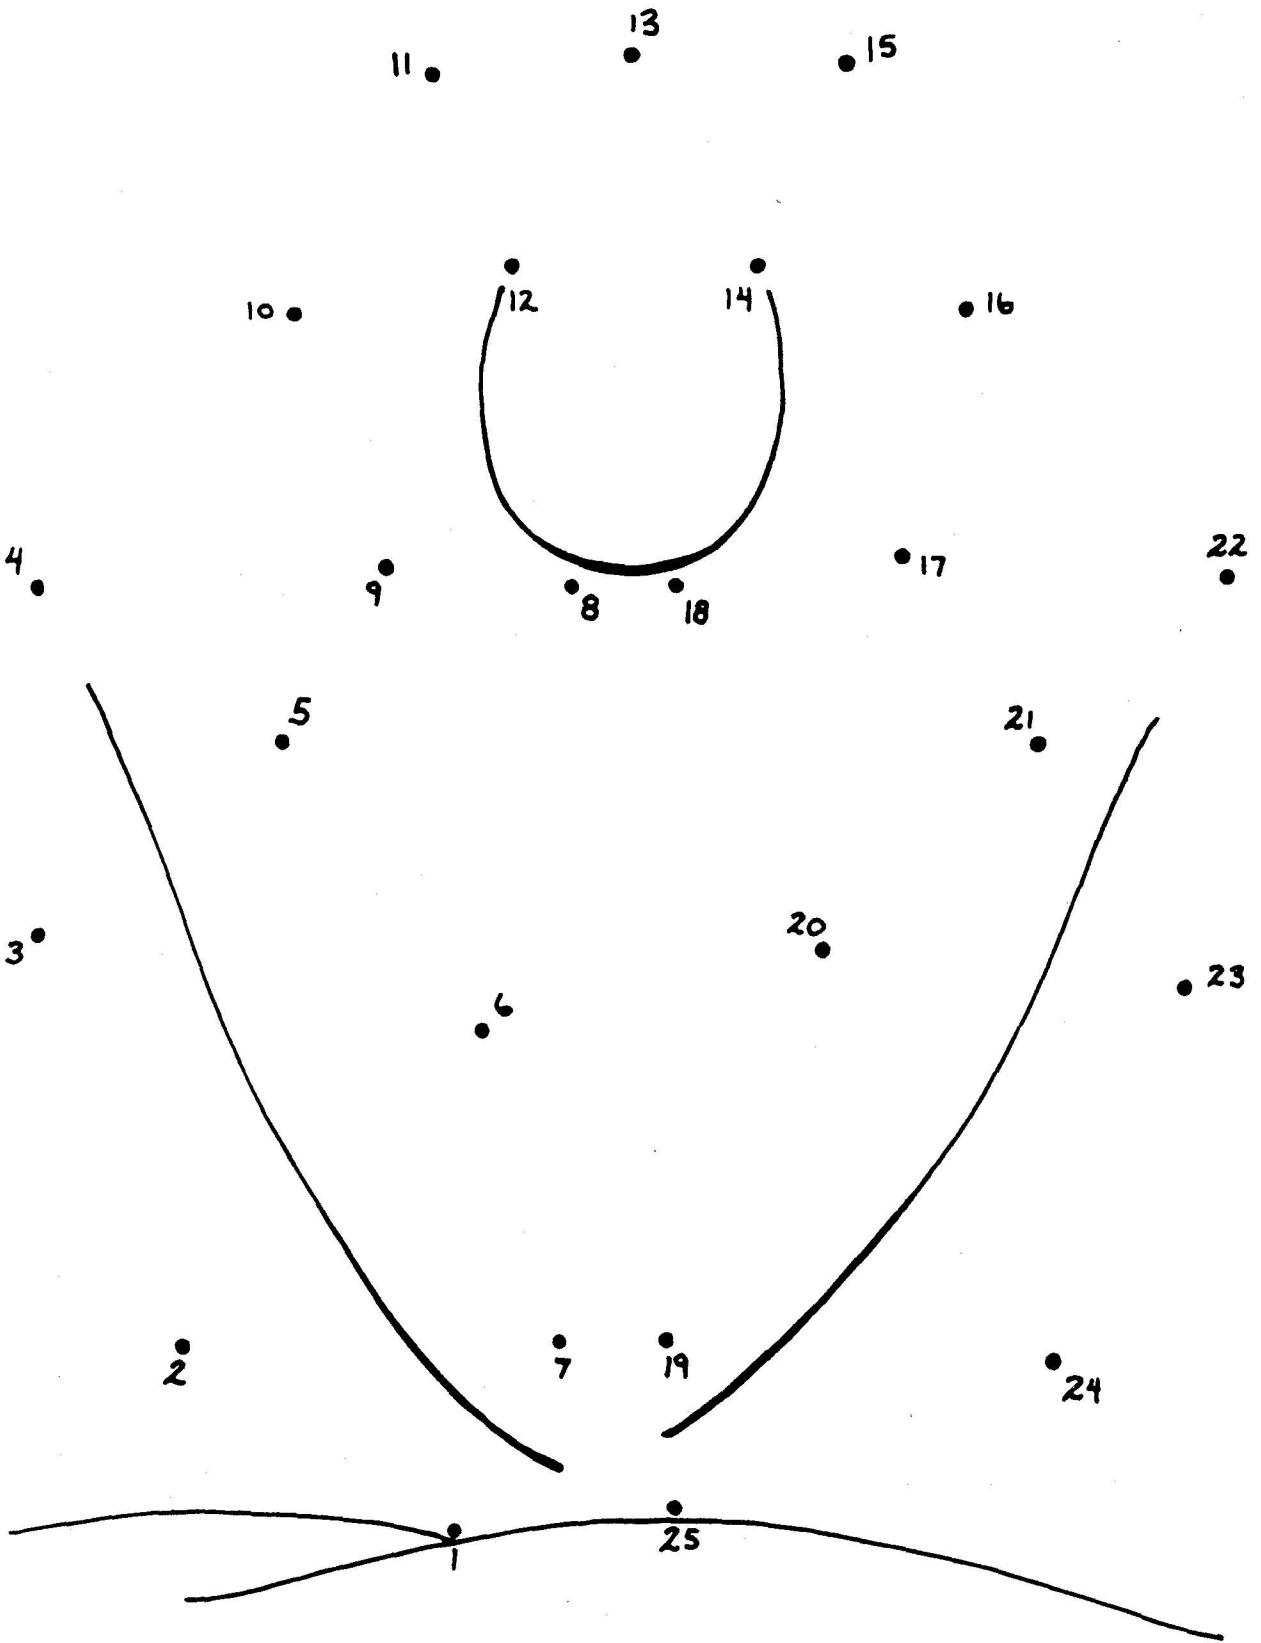

Summer is a good time to look at the night sky.

"Each star is different in its beauty."

1 Corinthians 15:41

**What new thing grows each spring?
Connect the dots to see.**

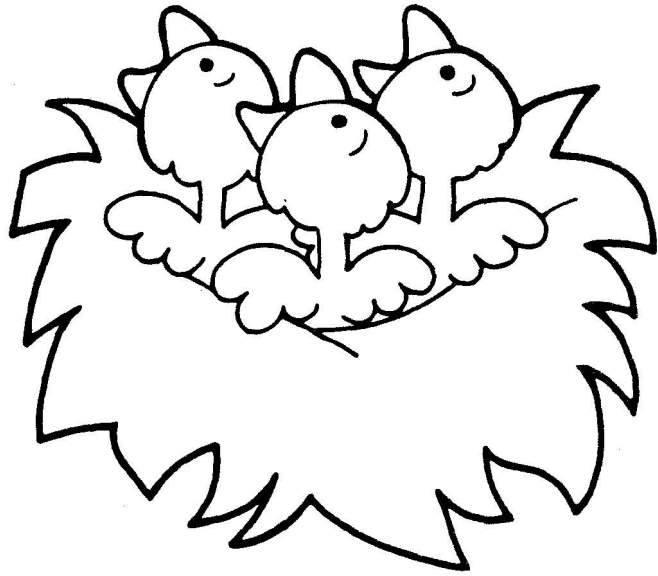

**God says, "Look at the new thing I am going to do."
*Isaiah 43:19***

Winter

Spring

Summer

Fall

"Everything on earth has its special season."

Ecclesiastes 3:1
